the oxford house model

All Oxford Houses have common characteristics:

- The House must be run democratically.
- The House must be financially self-supporting.
- The House must expel any member who relapse

what oxford house offers

Oxford House offers a supportive way of living and opportunities to learn life skills in a clean and sober environment

- Twenty-Four hour support from peers in recovery
- Learn alcohol and drug-free living skills
- Shared responsibilities for maintaining the House
- Equal vote on all House decisions
- Election of House Officers
- Social interaction and activities

COST OF LIVING

- Equally sharing expenses keeps individual costs low

Not going back to where a recovering addict came from may be the single most important reason for the Oxford House success story. Using this cost-effective way to improve the chances of recovery from alcoholism and drug addiction may be the best way to show the community that recovery works and that recovering addicts can become model citizens.
